

# Lease Financing Made Simple...

See reverse for  
**MORE INFO**

Is your clinic limping along with **Outdated Equipment?**

**AVOID THE TRAP** of making business improvements only when "cash flow permits". This approach often results in a slow, "piece-meal" implementation of new assets that keep businesses productive, competitive and profitable! Don't limp any longer...

- Lease financing brings new equipment and other improvements on-line quickly
- With leasing, 100% of your request can be financed and terms are flexible (software and soft costs like installation, training, shipping, pre-paid service contracts, etc. can be included)
- Predictable monthly payments make it easy to manage operational cash flow

## **Types of Equipment Leasing MCC Can Provide** (not limited to):

- Hylo Adjustable Tables
- Elevation Tables
- Spinal Decompression Tables
- X-Ray Machines including Digital CR & DR
- Heating/Hot Therapy Units
- Waiting Room Furniture, Computers, Software
- and more, we can provide financing for most anything!

Leasing is much faster and easier than bank financing. A signed 1 page credit application may be all that's needed, and in some cases, we can provide a pre-approval up to a 100K.

## **Requesting Lease Financing is Easy:**

- 1 Call MCC at 913-789-9977 or Visit: <https://goo.gl/1jGmHS>**
- 2 Submit 1 Page Credit Application**
- 3 Choose Terms & Payment Options**
- 4 Acquire Your New Equipment!**
